

WARNING PIANO DOLLY SAFETY

Any piece of equipment can be dangerous if not operated properly. **YOU** are responsible for the safe operation of this equipment. The operator must carefully read and follow any warnings, safety signs and instructions provided with or located on the equipment. Do not remove, defeat, deface or render inoperable any of the safety devices or warnings on this equipment. **IF** any safety devices or warnings have been removed, defeated, defaced or rendered inoperable, **DO NOT USE THIS EQUIPMENT!!!**

⚠ WARNING: This product contains rubber which can expose you to chemicals including 1,3-Butadiene, and DEHP, which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65warnings.ca.gov

⚠ WARNING: This product contains Chromium from steel products which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65warnings.ca.gov

Warning: use extreme caution when transporting cargo to avoid loss of load resulting in damage to dolly, personal injury and/or property damage. Always keep others away from load and dolly while lifting, transporting, and lowering loads.

- Do not step in or on dolly or use as a toy. Never ride on the dolly!
- Do not leave dolly in an area where it may become a trip hazard.
- Maximum load is 400 lbs. distributed evenly.
- Do not load more than one item at a time.
- Do not leave dolly unattended with or without a load on it. When done using dolly store it in a secure location, either resting on its side or upside down with its wheels in the air, to prevent it from rolling away.
- To move the load, push do not pull.
- This dolly is for use on hard, flat, smooth surfaces only.
- Failure to comply with all these warnings may result in loss of load, damage to dolly, personal injury and/or property damage

If the person receiving this handout will not be the user of the equipment, forward these instructions to the operator. **IF** there is any doubt as to the operation or safety of the equipment, **DO NOT USE!!! CALL A TOOL SHED IMMEDIATELY!!! FAILURE TO FOLLOW THESE INSTRUCTIONS COULD RESULT IN INJURY OR DEATH**
